

# Bromley Experts by Experience Volunteer Role Profile

## Disability Pride Event – Event Support Volunteer

### Why this role is important

Bromley Experts by Experience runs different events for our members, and for the wider local Deaf and Disabled Community.

Each year, we hold our annual celebration event, Disability Pride. Disability Pride brings together a range of local Deaf and Disabled amateur performers and artists to create a show celebrating inclusive talent. Events like Pride offer opportunities for Deaf and Disabled people to come together as a community, share ideas and enjoy performances celebrating the Deaf and Disabled Communities

Event Support Volunteers help us make sure the event runs smoothly and that those attending are comfortable, registered at the event and get the information they need.
